Ishant Raj

Full-Stack Developer (MERN Stack) | Computer Science Undergraduate

ishant64raj@gmail.com | +91-8449512154 | github.com/ishant-star | linkedin.com/in/ishant-raj

SUMMARY

Motivated and detail-oriented Computer Science undergraduate specializing in the MERN stack. Passionate about building user-friendly web applications and solving real-world problems through technology. Strong fundamentals in software development with hands-on experience in deploying full-stack applications. Outside academics, I enjoy exploring new web technologies, reading novels, and watching anime.

EDUCATION

Shri Ram Murti Smarak College of Technology & Research	Bareilly, India
B.Tech in Computer Science & Engineering	*2022 – 2026*
Girish Prasad Memorial College	Bareilly, India
Class XII	*2022*
St. Mary's Convent School	Bareilly, India
Class X	*2020*

TECHNICAL SKILLS

Languages: JavaScript, Java (Basics)

Web Development: HTML, CSS, Bootstrap, Tailwind CSS, React.js, Node.js, Express.js, MongoDB, REST APIs

Tools & Platforms: Git, GitHub, VS Code, Postman, MySQL, Agile Development, Database Management

PROJECTS

Prescripto – Doctor Appointment System: Developed a full-stack doctor appointment web app using the MERN stack. Implemented user authentication, appointment booking, and admin features to manage doctors and patients. Focused on a clean, responsive UI and efficient backend performance. **Deployed at:** ubergo.vercel.app

UberGo – Online Grocery Store: Built a full-stack e-commerce web application inspired by BigBasket using the MERN stack and Tailwind CSS. Integrated product browsing, shopping cart, and order management features with secure online payments. Focused on creating a seamless user experience with responsive design and scalable backend. **Deployed at:** urban-go-tawny.vercel.app/

Portfolio Website: Designed and developed a personal portfolio website to showcase my projects, skills, and achievements. Built using React.js, Tailwind CSS, and responsive design principles for smooth performance across devices. **Deployed at:** my-portfolio-eight-indol-51.vercel.app

EXPERIENCE

Softpro India Private Limited: Worked as a Full-Stack Web Development trainee (Jun 2025 – Aug 2025). Collaborated in a team environment to design and implement scalable web applications using the MERN stack. Improved understanding of real-world project development, API integration, and agile workflows.

SOFT SKILLS

Strong problem-solving and analytical thinking

Effective communication and presentation skills

Team collaboration and adaptability in dynamic environments

Time management and ability to meet deadlines

Quick learner with a growth mindset

ACHIEVEMENTS & CERTIFICATIONS

Hackathon Participation: Participated in a college-level hackathon and built a MERN-based project within 24 hours, showcasing teamwork and problem-solving skills.

Certification: Completed training in Full-Stack Development (MERN with Bootstrap) from Softpro India Pvt. Ltd.

Workshop: Attended a hands-on workshop on Artificial Intelligence and Machine Learning, gaining exposure to core concepts and practical applications.
